

# How to Deal with a Classroom Bully

Bullying in the classroom takes many forms with the signs manifesting themselves in assorted manners.

As a teacher, it is important to understand how to spot the signs and take the right steps that will help to intervene, as well as aid and support a child in need.

- STEP 1** Become familiar with signs of bullying
- STEP 2** Respond quickly
- STEP 3** Speak to the victim privately
- STEP 4** Speak to the bully separately
- STEP 5** Develop appropriate interventions
- STEP 6** Keep a close eye on the situation
- STEP 7** Check in with the bully and the victim
- STEP 8** Establish your classroom as a safe space
